

Interested in joining the Australian Army Cadets as an Adult Helper?

The Australian Army Cadets has vacancies for Adult Staff

We are looking for ex-Defence members, ex-Cadets, Mums & Dads and motivated members of the community to help deliver the Australian Army Cadets program.

Adult Officers, Instructors and Defence Approved Helpers (DAH) are the backbone of the Australian Army Cadets. We are seeking people who have a keen interest in working with young people to develop their potential and deliver an outstanding youth development program.

Adult Army Cadet Staff help organise training activities and support the management and smooth operation of our Army Cadet Units. They work closely with parents, other volunteers and with the local community in support of parade nights and training activities.

Adult staff undergo a selection process, which includes Police, Referee and Working With Children checks, which assess their suitability to work with young people.

Joining the AAC as an adult staff member is a fun and rewarding way to assist in the development of Australia's youth through leadership, safety management training, fieldcraft and navigation skills, plus you'll have the opportunity to participate in a wide range of activities with the Army Cadets.
